Applicant: Michael S. Allen

Project Request: Business signage

Project Summary: Old Dominion University (ODU) is leasing space at this location and is proposing signage at the corner of Boush and York Streets on both elevations. The signage has the ODU crown (twenty-one inches tall) above four lines that read: “OLD DOMINION” (twelve inches high); “UNIVERSITY” (six and three-quarter inches tall); “INNOVATION” “CENTER” “NORFOLK” (five and three-quarter inches tall). The letters are made out of a quarter to half inch thick, brushed aluminum, will be individually pinned to the brick, and in the ODU blue color. The letters will not be illuminated. Further signage is proposed above the entrance door which reads the same as the other but is smaller in scale.

ARB Recommendation: By a vote of 8-0, the ARB recommends approval for the application as presented.
